

# DIY EASTER BUNNY BOWLING PRINTABLE

**Directions:** To make the Easter Bunny bowling pins, print, cut out and tape an Easter Bunny printable onto 6 empty 2-liter soda bottles. Set-up the bowling pins on one end of the room. Have first child stand back at least 6 feet behind a taped mark on the floor and let him or her roll the ball to try and knock down the pins. Each child gets two turns. Set pins back up and have next person in line go. Continue until everyone has had a turn.
