

PIN THE LIPS on Mrs. Valentine

Directions: Cut out Mrs. Valentine's lips. On a poster board, draw the head and face for Mrs. Valentine leaving off her mouth. To play the game, place the Mrs. Valentine Poster on the chalk/white board or tape it to a wall. Put tape on the back of each of the lips, enough for each child to take a turn. Have kids line up. First child gets blindfolded and then tries to pin the lips on Mrs. Valentine. Take the blindfold off so the child can see where they pinned Mrs. Valentine's lips and have the next child go. Continue until everyone has a turn.
